

2026 Nominating Committee Report

Committee Members: Teresa Brittain, chair; Ray Jones; Mary Nichols; Jude Stuecker

For the 2026 SHCG board election, our committee assembled a strong slate of candidates who are committed to the work and mission of the Guild.

We appreciate the three current board members who agreed to run for a second term: Katherine Caldwell, Lee Entrekin, and Mark Traub. We also are grateful to Meghan Bernard, Julie Calhoun-Roepnack, and Karen Noggle for their willingness to be on the ballot and to serve on the board if elected.

Thanks to all the Guild members who made time to talk to the committee about possible board service. We know the past couple of years have been challenging for many of you, and we appreciate the good work you already do for the Guild in other roles.
